Gigaset C575

Comfortable Communication

o Large TFT colour display (2,2" / 58mm) with modern user interface
o Phonebook for up to 200 contacts with 3 telephone numbers each
o Large illuminated individual keys on handset for secure operation
o Extra-large number display (dial preparation)
o 2 keys for favorite features
 (the small picture shows an additional HS for a DUO)

Audio quality

o Optimised acoustics, first-class sound quality and volume, also in handsfree mode
o Acoustic profiles (high/low)
o Hands-free mode on the handset
o Ringtone volumes settable in 5 stages
o Hearing-aid-compatible

Telephone book and dialling functions

o Phonebook for up to 200 contacts: first name, last name, telephone numbers (home, office, mobile), VIP melody, birthday reminder
o Jumbo mode: larger dialling font
o Call preparation (input of the number before the actual dialling procedure) with correction option
o Redial of the last 20 numbers
o Automatic redial
o Programmable shortcut keys (2 – 9)
o Dialling procedure: Dual-tone multi-frequency dialling (DTMF), pulse dialling (DP)
o Dialling key (programmable flash times)
o Support of access prefixes
o Phonebook transfer between different Gigaset handsets

Display

o Illuminated graphical TFT colour display
 44 x 35 mm (H x W), 58 mm (2.2") diagonal, 64k colours, 6 lines, 176 x 220 pixels

o Best legibility
 - High contrast
 - Main menu with six icons per screen
 - Jumbo numbers: extra-large number display
o Selectable display background (black or white)
o Selectable colour schemas for display texts
o Screensaver: Analogue or digital clock, info services
o In sleep mode:
 - Display of date and time
 - Display of field strength and battery state of charge
 - Display of new messages
 - Display keys for fast selection of functions
o During a call: Display of call duration

Call display and signalling

o Call display with telephone number or name (CLIP/CNIP)
o Visual call display:
 - On the display
 - Flashing "Handset" button (green LED)
o Settable ringtone melodies
 - 18 melodies in the handset
 - 5 volume stages + OFF + crescendo
o Anonymous call suppression: Calls without CLIP number are only indicated visually
o Time controlled protection against unwanted calls, the phone will continue to ring for assigned VIP contacts (day/night mode)
o Individual ringtones for external/internal calls

Gigaset

Wherever you go.

Display of missed calls / caller list

- Display and flashing message key indicate missed calls and provides convenient access to the message list
- Caller list with telephone number (CLIP) and time for all calls (60 entries), as well as for outgoing, incoming or missed calls (20 entries each)
- Direct dialling out of the missed calls list

Keypad

- Ergonomic keypad made of high-quality material
- Secure operation due to large individual keys
- Lighted keypad: amber coloured
- Illuminated send/talking key, incl. hands-free function
- 5-way navigation key with centre click (incl. mute function)
- Key lock on/off via pound (#) key
- Ringtone on/off via asterisk (*) key
- Dialling key (programmable flash times)

Menu

- Intuitive, modern user interface/menu for easy operation (several languages available)
- Convenient main menu with six icons per screen and soft keys
- Simple operation via text-based sub-menus and soft keys

Additional functions

- Plug-and-play - very easy installation: unpack, plug in, and call (handset registered ex works)
- Calendar with month overview and scheduler for:
  - 30 appointments with text and separate ringtone
  - Birthday reminder for each phonebook entry
- Alarm clock feature with adjustable melody and snooze function
- Room monitoring (baby monitor) with intercom function
  - to an external device, such as mobile phone
  - or to an internal device, such as an additional handset
- Direct call function: Selection of a phone number by pressing any key
- Editable handset name
- Warning tone if the user leaves the range of the system
- Advisory tone (for key confirmation and low battery)
- Date and time settings saved in the event of a power failure
- IP40 protection

Features when operating multiple handsets

- Toll-free internal calling
- 2 calls possible at the same time (1 external and 1 internal between 2 handsets)
- Phonebook transfer between different Gigaset handsets
- Internal call to all or selected handsets
- Call forwarding to a different handset with dialling/call back function
- Simultaneous ringing of all handsets for external calls

ECO DECT

- Automatic reduction of the transmitting power depending on the distance between the handset and the base station
- Radiation-free in standby mode, even if several handsets are used, as long as all registered handsets support ECO DECT
